Scored 93% and got a scholarship for a good percentage.

---

## CERTIFICATION

**Certification on DSA with Java**

Apna College (Online)- Jan 2023- Dec 2023

Learn Java and DSA

**Career Essentials in Generative AI by Microsoft and Linkdein**

Linkdein Learning (Online) – June 2024 – July 2024

**Certification on Build with India Hackathon(Google)**

---

## TECHNICAL SKILLS

---

### LANGUAGES

Java , Python, ML, AI, HTML, CSS, C++ ,C , Gen AI, DL, Computer Vision

### Database Management

SQL Server 2008, MySQL.

---

## COCURRICULAR ACTIVITIES

- Winner of Inter – University Hackathon
- Actively participating in LeetCode , Kaggle and HackerRank
- Have participated in different coding events like Google Hackathon , idea pitching etc.

---

## PROJECTS

- |   |                               |
|---|-------------------------------|
| - Object Detection System (using Mobilenet) | - Movie Recommendation System |
| - ADHD Detection System(currently working)  | - Language Translator         |

---

## INTERPERSONAL SKILLS

- Communication Skills
  - Problem-Solving
  - Time Management
-
